A monumental undertaking, this new translation of Carl Flesch's essential *The Art of Violin Playing*, by Eric Rosenblith, preserves all the essential basic concepts of Flesch's original, but presents them in more contemporary and idiomatic English. New hand diagrams have been added and a table for the consistent use of bowing and fingering symbols. The range of material covered by this massive book is enormous: Body Posture, The Left Arm, (position and fingerings), Vibrato, Bowing (including all varieties of strokes), Tone Production, Musical Memory and much, much more.
