Domu

Katsuhiro Otomo, Katshuhiro Otomo

Domu Katsuhiro Otomo, Katshuhiro Otomo

A twisted old man, gifted with extrasensory powers, silently holds sway over an entire block of apartments. The occupants are puppets for him to control. Life is his to give...and to take. But suddenly there is a new voice in his head, and before he knows it, a young girl with her own battery of psychic abilities has arrived to challenge him! Soon, the sprawling complex becomes a battleground between two minds possessing incredible, unimaginable power. Winner of Japan's Science Fiction Grand Prix award, the first graphic novel ever awarded such an honor, Domu comes from the boundless imagination of Katsuhiro Otomo, renowned creator of the internationally acclaimed graphic-fiction epic, Akira. A work of rare strength, Domu is both visually stunning and emotionally gripping, a terrifying tale of the paranormal set amongst the human isolation of modern urban life.
