Illuminosity: Transcender Trilogy Book 3 (Volume 3) Vicky Savage

Jaden Beckett has a secret unknown to those in her adopted homeland of Domerica: she is a Transcender, capable of traveling among parallel worlds at will. When the powerful Inter-Universal Guidance Agency's sophisticated computer models predict that Jaden will eventually cause the downfall of the agency, IUGA decides to destroy her first. In order to save herself, her family, and the man she loves, Jaden must fake her own death and leave Domerica for good. The plan seems sound, but on the day of IUGA's attack, things go terribly wrong.

Heartsick and alone, Jaden ventures to Arumel, a progressive nation on an alternate earth, where Transcenders conduct valuable inter-universal research. Just when she thinks she's found a safe, new life, IUGA makes its presence known. This time, Jaden is determined not to be driven away. She will fight to discover her place in the multiverse, the true meaning of destiny, and the keys to the mystery of eternal love.
