The Eldritch Evola and Others James J. O'Meara

Tradition never died. Despite the complacent triumph of Modernity, it lurks, like a never-rotting Gothic revenant, just beneath the surface of our materially bloated and spiritually empty world. In these 16 essays, James J. O'Meara uses the Traditionalism of Julius Evola and René Guénon to bring to light the spiritual and philosophical dimensions of the fiction of H. P. Lovecraft, Henry James, Mickey Spillane, Olaf Stapledon, Owen Wister, and Andy Nowicki; the music of Richard Wagner, Harry Partch, and Scott Walker; and the lives and works of architect Ralph Adams Cram and economist Thorstein Veblen. In O'Meara's lens, the doomed WASP gentry in the weird tales of H. P. Lovecraft and Henry James are on Sufi-inspired vision quests, while Mickey Spillane's brutal but equally doomed Mike Hammer is an occult detective in the Atom Age. Hobo and microtonal composer Harry Partch is a Dionysian shaman for mid-century America, while the transatlantic Scott Walker enacts Aryan musical archetypes in the 30th century. Even the Episcopal architecture of Ralph Adams Cram barely conceals the hideouts of the Wild Boys, the primal male hordes of culture creators feared by conservative and liberal alike. The Eldritch Evola . . . & Others firmly establishes James J. O'Meara as one of the most original voices of the North American New Right. "James J. O'Meara is my favorite literary and cultural critic. A virtuoso essayist who can reveal the most startling connections, O'Meara brings Traditionalist spirituality and a New Right sensibility to bear on both high and popular culture, showing that Tradition, like Cthulhu, still lives in the depths and can rise to the surface again, if you know what to look for . . . or if the stars are right." - Greg Johnson, author of *New Right vs. Old Right*
"James J. O'Meara is the Camille Paglia of the Alternative Right." - Andy Nowicki, author of *Lost Violent Souls*

From reader reviews:

Maryann Carson:

As people who live in typically the modest era should be revise about what going on or info even knowledge to make these people keep up with the era that is certainly always change and advance. Some of you maybe can update themselves by examining books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what type you should start with. This The Eldritch Evola and Others is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Beatrice Rogers:

Do you one among people who can't read pleasant if the sentence chained inside the straightway, hold on guys this kind of aren't like that. This The Eldritch Evola and Others book is readable simply by you who hate those perfect word style. You will find the details here are arrange for enjoyable examining experience without leaving even decrease the knowledge that want to deliver to you. The writer involving The Eldritch Evola and Others content conveys the idea easily to understand by lots of people. The printed and e-book are not different in the content but it just different by means of it. So , do you nevertheless thinking The Eldritch Evola and Others is not loveable to be your top checklist reading book?

Steven Simon:

Reading a reserve tends to be new life style on this era globalization. With examining you can get a lot of information that may give you benefit in your life. Having book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their reader with their story or maybe their experience. Not only the storyplot that share in the ebooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on this planet always try to improve their talent in writing, they also doing some investigation before they write with their book. One of them is this The Eldritch Evola and Others.

Kendrick Mills:

The reason why? Because this The Eldritch Evola and Others is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will shock you with the secret it inside. Reading this book next to it was fantastic author who write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of benefits than the other book get such as help improving your expertise and your critical thinking means. So , still want to hesitate having that book? If I have been you I will go to the book store hurriedly.
