In their stunning simplicity, the famous colored rectangle paintings by Mark Rothko suggest, evoke, and endlessly enthrall. This richly illustrated book reproduces in full color one hundred of Rothko's paintings, prints, and drawings. The volume features four commentaries by art experts who explore various formal aspects of Rothko's work, interviews with contemporary artists who reflect on Rothko's legacy to post-New York School abstraction, and a chronology of the Russian-born artist's life from 1903 to 1970.
