In this remarkable spiritual memoir, written by one of the most astonishing and enigmatic mystics of the modern era, Nosirrah takes us through the arc of his life from his birth, which he claims never actually happened, to his own death, amazingly described by Nosirrah himself in great detail. He recounts the rollicking events that occurred as this spiritual genius encountered the unfolding of his life and his message for humankind. Scholars will no doubt study this tome to help explain the brilliant writings of a man who so transcended his own existence that he was unable to authorize his own autobiography.
