The Car Mechanic's Wife

Hemant Kumar Sharma

The Car Mechanic's Wife Hemant Kumar Sharma

An unusual story of displacement, self deception, and destiny playing itself out through the character of a pathetically Quixotic and scheming anti-heroine. The ending leaves one wondering at the terrible simplicity and unpredictability of human destiny. Rooted firmly in the satirical tradition, the novelette still betrays a sense of surrender and forgiveness as the only way of making sense in an otherwise meaningless existence.
