"Perfect for fans of Iain M. Banks, Peter F. Hamilton and William Gibson. A sweeping sci-fi saga that will set your imagination on fire."

**Experience the beginning of the epic saga of family, love and war.**

Across a century of chaos and upheaval, follow three generations of heroes who will change the face of China forever.

A young boy on the run from the Communists that murdered his family must survive in the harsh Tibetan wilderness...

A grandmother and leader of the underground railroad must face her dark past as a young revolutionary...

A brilliant but brash colonel races to uncover a shadowy conspiracy that threatens to tear the new republic apart...

When a Jasmine Revolution sweeps away the brutal Communist regime, China transforms into the world's first AI-driven Direct Democracy, ushering in a golden age of peace and prosperity unlike anything ever seen in its five thousand year history. Now when an economic shock brings terrorism and ultra-nationalism roaring back, the nation's favorite son, Colonel Ju-Long, races to uncover the traitors in his midst before his beloved country explodes into another devastating civil war.

But will long-buried family secrets mean it's already too late?
