Broken Windows of the Soul: The "Broken Windows Theory" suggests that a community can reduce crime and maintain social order when small problems are fixed promptly. Alternatively, minor vandalism (such as broken windows) left unrepaired, sends the message that no one cares-inviting more serious crimes. Fleagle and Lichi have applied this theory to the problem of sexual temptation and moral failure. *Broken Windows of the Soul* reveals the destructive nature of infidelity, sexual perversion and pornography and its effect on the culture and the church. Unless the cracks are quickly repaired, more "broken windows of the soul" are soon to follow. Fleagle and Lichi teach the regular practice of spiritual disciplines to transform the heart and experience deep character change. Each chapter includes questions for individual or group study.
