The Nations That Know Thee Not: Ancient Jewish Attitudes toward Other Religions (Reappraisals in Jewish Social & Intellectual History) Robert Goldenberg

The Bible is harshly opposed to participation by Israelites in the worship of other nations' gods. Was this strict command to the nation of Israel not to worship other deities extended to other nations? Or was it legitimate and acceptable for other nations to worship their own gods just as Israel worshipped the God of the Covenant?

In **The Nations That Know Thee Not**, Robert Goldenberg takes a historical look at attitudes towards foreign religions that are found in Israel's scriptures and in post-Biblical Judaism, and he traces an ambivalent attitude toward foreign religions as it developed through the history of Judaism. How did Jewish outlooks on gentile religions vary so much over time? As Jewish acceptance of paganism grew under rabbinic leadership, did Christianity become heir to other, harsher biblical attitudes toward other religions?

Systematically covering the entire range of Jewish literature of antiquity from the Bible through the rabbinic canons, Goldenberg sheds light on the ways in which ancient Jews understood the religious worlds in which they lived.

From reader reviews:

Misty Barrientos:

What do you think about book? It is just for students since they are still students or the idea for all people in the world, exactly what the best subject for that? Only you can be answered for that concern above. Every person has several personality and hobby for each and every other. Don't to be pushed someone or something that they don't would like do that. You must know how great in addition to important the book The Nations That Know Thee Not: Ancient Jewish Attitudes toward Other Religions (Reappraisals in Jewish Social & Intellectual History). All type of book could you see on many options. You can look for the internet solutions or other social media.

Aaron Blue:

Reading a guide tends to be new life style on this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story as well as their experience. Not only situation that share in the books. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to improve their proficiency in writing, they also doing some investigation before they write for their book. One of them is this The Nations That Know Thee Not: Ancient Jewish Attitudes toward Other Religions (Reappraisals in Jewish Social & Intellectual History).

Nicholas Poston:

The reason why? Because this The Nations That Know Thee Not: Ancient Jewish Attitudes toward Other Religions (Reappraisals in Jewish Social & Intellectual History) is an unordinary book that the inside of the book waiting for you to snap that but latter it will jolt you with the secret the idea inside. Reading this book next to it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining means but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have such as help improving your ability and your critical thinking technique. So , still want to hold off having that book? If I were you I will go to the book store hurriedly.

Tim Andrus:

Playing with family inside a park, coming to see the marine world or hanging out with friends is thing that usually you have done when you have spare time, subsequently why you don't try factor that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Nations That Know Thee Not: Ancient Jewish Attitudes toward Other Religions (Reappraisals in Jewish Social & Intellectual History), you could

enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't buy it, oh come on its known as reading friends.
