Is Daphne alive? Who took her? Why did they take her? Is Austin alive? Dallas and Serion have a lot to deal with in this final installment of this series. Freebird and Sherray are still running around town causing chaos because they have gotten comfortable in the fact that they haven't been killed already. Are they too comfortable? Bam and Jinx see this time as an opportunity for them to step up and show Dallas that they do know what they are doing. They are next in line to take over, and they will murder, intimidate, and paralyze the city until they get the answers that they need. They will let it be known that this is just the beginning for them.
