Written from the paralegal's perspective, this book examines the ethical, practical and professional topics relating to Contract Law and combines both substantive material and contemporary cases. Offering exceptional coverage of e-contracts and technology, it emphasizes contract law as an important core competency for all paralegals. Each chapter is infused with application-oriented features that range from scenarios to feature articles to portfolio-building exercises. End-of-chapter material focuses on reinforcing skills through internet exercises, case questions and case-briefing assignments. Throughout the book, each chapter shows how paralegals work with contracts and why it is important for all paralegals to understand contract law. Paralegals
