“Andy Clarke has an uncanny ability to make you reconsider what you know and wonder why you hadn’t always done it his way.” — Dave Shea, creator of the CSS Zen Garden

And it’s those uncanny abilities that make this Master Class—one-on-one instruction from Andy Clarke on camera, coupled with his bestselling full-color book containing hundreds more visual examples—the best way to absorb Andy’s amazing techniques and best practices for Web design.

The book and workshop DVD-ROM deliver the ultimate CSS learning experience for intermediate to advanced Web designers looking to create beautiful and accessible designs. Inside you’ll find:

- Proven techniques for creating inspiring designs that use lean, semantic markup and CSS
- Numerous examples that use a visual approach to explain coding techniques
- The latest advances in Web design, including the emerging CSS3 specification
- A new design workflow for building successful prototypes and effective grids that works well for all team members
- Instruction on advanced topics including typography, microformats, advanced CSS selectors, CSS3 modules, and layout techniques that employ floats, positioning, and margins
- Inspiration from leading designers who embrace Web standards in their own work
- Example files included so you can follow along
