## **Every Heart** LK Collins

\*\*\*Every Heart is the sequel to Every Soul, or the prequel to Every Love (coming soon)\*\*\*

Love hurts.

Life hurts.

But without the pain, there is no bliss.

I found bliss.

Then it was all taken away.

And though it hurt like hell to move on, I had to.

I learned to love again only because of Bain.

I found my bliss again.

Then in a split second, everything was put into jeopardy.

My world crashed down around me and this time I was faced with the hardest decision of my life, a decision I never dreamt of making.

A choice that seemed impossible.

With no good outcome.

That would hurt everyone I loved no matter what I did.

I didn't want to make it. I couldn't choose between my two loves.

So I fought the decision with everything I had, avoiding it until...I was forced to decide.

### From reader reviews:

#### **Linda Christopher:**

As people who live in typically the modest era should be revise about what going on or facts even knowledge to make these keep up with the era that is certainly always change and advance. Some of you maybe may update themselves by looking at books. It is a good choice for you but the problems coming to an individual is you don't know what type you should start with. This Every Heart is our recommendation so you keep up with the world. Why, because book serves what you want and want in this era.

#### **Clarence Kissel:**

Playing with family in the park, coming to see the water world or hanging out with close friends is thing that usually you could have done when you have spare time, and then why you don't try point that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Every Heart, you could enjoy both. It is good combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't understand it, oh come on its known as reading friends.

#### **Ralph Overman:**

This Every Heart is great book for you because the content which can be full of information for you who also always deal with world and also have to make decision every minute. This particular book reveal it details accurately using great arrange word or we can point out no rambling sentences included. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but difficult core information with splendid delivering sentences. Having Every Heart in your hand like finding the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world inside ten or fifteen small right but this publication already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. occupied do you still doubt which?

#### **James Wood:**

This Every Heart is brand new way for you who has curiosity to look for some information as it relief your hunger details. Getting deeper you onto it getting knowledge more you know otherwise you who still having little bit of digest in reading this Every Heart can be the light food for you personally because the information inside that book is easy to get by means of anyone. These books create itself in the form which can be reachable by anyone, sure I mean in the e-book application form. People who think that in publication form make them feel sleepy even dizzy this e-book is the answer. So there is no in reading a publication especially this one. You can find actually looking for. It should be here for you. So , don't miss this! Just read this e-book sort for your better life as well as knowledge.
