piano This is an immense work, complete and of the highest level, of unquestionable value to all those interested in music in general and jazz in particular, its history, harmonic sequences, improvising systems, and specific phrases, with a multitude of indispensable ideas for the study and comprehension of this music. All this written by a highly experienced and exceptionally gifted pianist. Martial Solal Jeff Gardner's book is one of the most comprehensive I've seen, detailing chordal scales. As a method book for budding improvisers, on any instrument, it should be required reading. Paul Bley
