The New Life (La Vita Nuova)

The New Life (La Vita Nuova) Dante Alighieri

The New Life, La Vita Nuova, is an exquisite medley of lyrical verse and poetic prose. Its allegorical view of the soul's crisis and growth combines a narrative with meditations, dreams, songs, and prayers. Dante assembles a selection of his love poems within a prose framework that situates them chronologically and autobiographically. The result is a history of his love for Beatrice, the muse he encountered in childhood who continued to influence him long after her marriage and early death.
