The Christian life is intended to be a relationship with God. Too often we emphasize what He has done for us, but fail to appreciate who He actually is. Gifted focuses the readers' attention not just on the gifts God provides, but on who He is and why He has provided the gifts in the first place. To unwrap spiritual gifts we need to understand who the Holy Spirit is and how He works in our lives. Gifted helps readers to take a look at God's gifts and how we should use them, from the perspective of the Giver.
