In-depth Census Research Guide Holly T. Hansen, Arlene H. Eakle Ph.D., James L. Tanner

Census research leads to additional sources. This in-depth look at censuses taken in the United States gives you detail on many different census types and how to find them. We also teach you to read old-style handwriting, how to develop research strategies specific to your family, and how to locate and use the records to identify your ancestors. In-depth analysis, historical understanding, and using the correct jurisdictions are critical to your research success. How much data you extract from the records, how carefully you study that information, and your level of understanding of the records and the context of the facts they hold dictates your research success. This research guide will give you some great resources, strategies, and instruction helping you with your family history research questions.
