The Only Way To Walk Sheana Brown

Personal courage and amazing faith in God's loving care are the hallmarks of James Brown's Testimony. A terrible accident at his factory robbed him of both legs and very nearly cost him his life.

Yet this remarkable man recovered and has led an active life with the assistance of his family and friends.

His appetite for travel, his enthusiastic evangelistic work and his contacts with deep-sea fishermen from many different countries all testify to James Brown's determination to overcome his disability and lead a normal life.

This story contains many incidents which shows the support James has had from the Christian community. More importantly, they show God at work in his life.
