Thug Life: Just Another Hood Love Jontu

In the explosive series, Another Hood Love, the streets showed an endless amount of mercy for how gritty things could get. In this spinoff, the hood shows no love. The crew is back, deeper into the streets, and deeper into their lives, but how many chances will be given before they see just how much the streets don't love them? How many lives will be lost to the caskets and the system before they figure out it's time to leave the hood alone? After so many bullets have flown and lives have been lost, everybody is trying to find their way. Jaeda and Q are engaged and working to start a family, trying to bury the past, and looking forward. But, once again, life has a way of throwing a curve ball into the plans that they think they may have. Jamiya is running her own crew and the streets crazy with her wild gang of Mobb Maniakz. They are dangerous and all about money, drugs, and power. After a lick gone badly and Dolo and Pam being shot, can they regain their standing and lay low, or will they turn it up a notch and bring the heat? It's all about the money with each and every player in this game of hood love, but who will cash in their chips and who will lose it all to the streets?
