Tommy Gabrini never dreamed he'd fall in love when Grace McKinsey entered his life. She wasn't sophisticated enough, his friends declared, or beautiful enough. But Tommy fell hard for the very woman they all dismissed. He even took the step of his life and asked her to be his wife. His brother Sal warned him that hell was about to go in session when Tommy's numerous "lady friends" found out about his new lady love. Tommy laughed it off at the time, insisting that his ladies were far too sophisticated to play those kinds of games. But he would soon find out that his brother wasn't far from the truth. Yet even then, Tommy could handle that truth. He loved Grace and he didn't hesitate to make that clear. But when they stopped targeting Tommy, and started setting their sights on Grace, everything changed. Grace worked hard to be her own woman, even as Tommy's generosity set her up as the CEO of her own company, and she knew not to take the bait of females who wanted Tommy for themselves. But as she battled from within to maintain control of her own company, and battled from without to maintain Tommy by her side, she soon realized that being Tommy Gabrini's fiancée didn't come without a price. A price, she would soon discover, that might be too high to pay. From national bestselling author Mallory Monroe comes a gripping interracial romance where two people discover that love can take strange and unexpected turns, and if they aren't careful, other people's hate can sneak in and overrule their love.
