Praying Luther's Small Catechism John Pless

"To pray the Catechism is to learn how to speak to God the Father in the name of the Son through the Holy Spirit. Praying Luther's Small Catechism moves sequentially through the Six Chief Parts of Christian Doctrine with prayers developed out of the catechetical material.

Commentaries on the doctrine of each passage reflect on how the teaching shapes our praying. Accessible to the beginner but insightful for the wisest, this is a wonderful resource for pastors and veterans of the Church, and for laypeople who serve as the heads (and catechetical teachers) of their households."
