## **Acadia** Sterling Nixon

Acadia—the last human city. For two hundred years, vicious creatures have laid siege to the city, leaving the land rough with the bodies of the fallen. For Cojax, training to become a defender of the city is his greatest ambition. That all changes when a girl from outside the city walls appears—from a land that supposedly held no life. Her presence threatens to undermine the entire society, putting Cojax in an impossible situation. He must now choose between what is right and what is necessary for humanity to survive.
