Alligators: Amazing Photos & Fun Facts Book About Alligators (Amazing Animals Facts) Rita Terry
Alligators: Amazing Photos & Fun Facts Book About Alligators The alligator is an animal that is considered as a large lizard. They may weigh heavier than a grand piano, has a speed that may be slower than a car, is shorter than a school bus, and has a skin that is like a brave soldier's armor. Alligators are known as "living history" because they have lived on earth for millions of years. They have survived the extinction, the time when many creatures died off completely, that occurred 65 million years ago. It was even discovered that dinosaurs and alligators are related to each other.
