Executive Training Package For CEOs and Senior Managers (Technology and Growth Company Series) Bob Norton

Fourteen hours of live video from the exclusive CEO and Senior Executive Boot Camp that is the most complete training for growing a company from startup to \$100 million in sales available anywhere. No matter how much experience your management team has, this set is GUARANTEED to improve BOTH your company and team's efforts significantly and quickly. Other than attending this \$2,495 C-Level Boot Camp seminar personally, using these live videos from that program is absolutely one of the best things you can do for you, your company and your management team. Not only will CEOs and senior executives cut years off their own personal learning curve, but your entire management team can use these DVDs to synchronize language, strategy and direction. No other product we are aware of can have this kind of impact on an early-stage company -- using it will allow you to improve and optimize your corporate vision, business model, sales and sales management processes, marketing, product development, hiring, management and most every other aspect of an early-stage company. This DVD series integrates the experience of a 16-year CEO and the best practices and ideas meticulously extracted from over 1,000 business books. The 14 DVDs utilize 12 different systems that will help you figure out what you "don't know you don't know." You and your team will readily remove formerly invisible limits on growth and transcend those elusive barriers that hold back so many early-stage companies from achieving profitability and success before the cash runs out. You and your company deserve the best and most proven company launch and growth practices available, from someone who has not only "been there, done that," but done it eight different times with huge success. Testimonial: "It's a great course - very comprehensive. I think it can really help people look at their business in a new way. It gave me new vision." - Lisa Sasso, President - Radi Medical
