Revisit Old Friends in Blessing in This Heartwarming Series Conclusion

Deborah MacCallister, head nurse at the Blessing hospital, has loved Toby Valdars since her school days, but she's had enough of their on-again, off-again relationship. Toby truly cares for Deborah, but he's never felt like he could commit to marriage or a family.

When Anton Genddarm, the new schoolteacher, comes to town, the young women of Blessing see a chance to force Toby's hand with a little strategic matchmaking. But real sparks fly between Deborah and Anton, and she finds herself in an even more complicated situation. The attention she gets from Anton makes Toby do some serious soul-searching, but is it too late?

Then Deborah receives an invitation to study the latest advances in nursing at a hospital in Chicago, and she faces a hard choice. To leave or stay? Should she give up on the dream of Toby and accept the interest of Anton?
