Grow Grow Grow

Barbara Riley

Grow Grow Grow Barbara Riley

Grow Grow Grow is Jaenet Guggenheim's impressively paper collage illustrated presentation of an original poem by Barbara Riley. Through the seasons of a single year this story-poem follows a growing sunflower seed that meets the world of caterpillars, dogs, and weather with a compelling determination to grow. This artful and unique picturebook is especially enjoyable for preschool through kindergarteners and makes an ideal choice for bedtime bonding reading for parents and children.
