Orphan Slave Son Ben Pasley

Every Christian believer struggles with the tensions between his new nature as a son in the Father's family, and the old natures of slavery and orphanhood. This book is about learning to both identify and overcome these old mindsets of slavery and orphanhood so that we can walk in the joy and freedom of sonship. Especially designed for leaders, this book is a deep look into these three worldviews and it offers very practical steps to learning to live victoriously as a son.
