After another night of girls, music and booze, seventeen-year-old pop star Darius Zaire falls out of bed and lands on the cruddy floor of his old bedroom. No mansion, no luxury cars, no platinum records. Now he's just ordinary Darren Zegers. Some kind of nightmare has erased everything that happened to change Darren the dweeb into Darius the multimillionaire.

Now Darius has to face an ordinary day in the twelfth grade, suffering through remedial English and wondering what happened to the last three years, let alone all his fans and money. He desperately wants to return to his old life, but he is starting to worry that maybe *this* is reality, and it was his other life that was the dream.
