The History of a Safer World: The true and amazing history of Triconex and Wonderware Mr. Gary L. Wilkinson

The History of a Safer World is the true story of the engineers who built and connected a safer industrial world. The book is a blueprint for personal and business success in any age. Two startup companies overcame early struggles to create thousands of jobs and billions in new wealth. Visionaries who knew their limits inspired those who did not. The theme of the book is seduction, as engineers pushed themselves to their creative and physical limits in a timeless digital world to build the perfect machine. The History of a Safer World is a love story - about business.
