Warpath Richard Blomberg

Warpath is Navy SEAL Jack Gunn's action-packed story of relentless pursuit across the Middle East, leading his Ghost Team to hunt down Pakistani terrorists responsible for murdering CIA agents and taking his brother Travis hostage. Jack incorporates instincts he inherited from his great, great, great-grandfather, Sitting Bull with twenty-first century technology, to become the President's most feared Special Ops warrior. Jack walks the fine line between his duty to kill terrorists, his duty to be at the side of his cancer-stricken wife, and his duty to fulfill the promise he made to his dying mother to "watch out" for his little brother Travis, the brother he despises. The fast-paced action in *Warpath* only intensifies when Jack is faced with an even greater challenge: stopping the implementation of Grand Jihad terrorist attacks worldwide. Readers will turn pages fervently to learn how he draws on his unique Indian talents and warrior mentality to save his family, his brother, and his honor.
