Jon Coile

Adventures in the Ditch: A Memoir of Family, Navigation, and Discovery on the Intracoastal Waterway Jon Coile

Adventures in the Ditch is not only a fascinating sea story of a great voyage on the Intracoastal Waterway, it's a personal memoir of two brothers and their father.

Jon Coile developed a love for the sea and a thirst for nautical adventure at a young age. Hoping to rekindle the wanderlust and excitement of their early years sailing together, Coile, his brother, and their eighty-something father embark on a nine-day, 1,250-mile voyage on the Intracoastal Waterway—from the Chesapeake Bay to Miami. Their refurbished vessel, *Griffin*, offers up her own set of challenges, and the trio encounter other unexpected situations along the way, leading to creative solutions, and providing a penetrating view of the daily reality of an Intracoastal cruise.

More than a mere boat trip, *Adventures in the Ditch* is a rich, warm, and personal story of family relationships.
