## Cultural Policy (Critical Concepts in Media and Cultural Studies)

Specialists in cultural policy draw on many scholarly literatures and traditions, including but not limited to, media and communication studies, history, sociology, politics, arts management, geography, and cultural studies. Now, this new four-volume collection from Routledge brings together the key texts that form the background, context, and basis for a sophisticated understanding of the topic, materials that have hitherto been scattered throughout a variety of specialist journals and books. *Cultural Policy* offers advanced students and established researchers alike a comprehensive and carefully ordered ‘mini library’ of the subject’s major works.
