Drip Drops is a children's picture book about a boy catching insects and reptiles on a rainy day. Its rhyme and repetition helps beginning readers learn to read. It uses flat art and colored pencil illustrations to capture children's attention. Children enjoy flipping through the book and finding the pictures of the different insects the boy has captured. Drip Drops introduces some new vocabulary words and focuses on the sounds of "o." Its easy-to-memorize structure makes it a classroom and a bedtime favorite.
