Made By God: The Solar System offers what you need to teach 13 units on the solar system from a scientific and a biblical perspective. Topics featured are the sun, moon, stars, planets, and meteors, comets, and asteroids. Included in each unit you will find one or two pages of teacher resources that include facts about each heavenly body, a memory verse, Scripture links, bulletin board ideas, experiments, writing suggestions, arts and crafts, and more. Every unit also includes one or two worksheets designed for the student and s based on National Science Education Standards. An award certificate is found in the back of the book.
