## **Mel Bay Ukulele Handbook** Axel Richter

This book is for the intermediate and advanced level players. It displays all chords in six tunings for the different sizes of the ukulele. Of course, there are other books which show how to build chords, but when you are playing a new song, you need an "almanac" for a quick look over all the possibilities to play a certain chord. That leads you into arranging a song and creating your very own style of playing.
