One Frog Sang

Shirley Parenteau

One Frog Sang Shirley Parenteau

Count on these frogs for a luminous read-aloud bursting with lyrical sound play and visual surprises.

On a wet spring night, one big frog sings KA-BLU-URP! Two tiny frogs sing PREEP, PREEP, three young frogs sing RIBBIT, RIBBIT, all the way up to ten frogs who trill PEEP, PEEP as a frog chorus fills the air with grunts and croaks and chirps. The night is resonant until . . . a car splashes down the street and all the frogs, from ten down to one, are hushed! Shirley Parenteau offers a joyfully cacophonous counting-up and counting-down story, vibrantly illustrated by Cynthia Jabar.

From reader reviews:

Geraldine Louis:

Information is provisions for people to get better life, information currently can get by anyone in everywhere. The information can be a know-how or any news even an issue. What people must be consider any time those information which is inside former life are challenging be find than now's taking seriously which one would work to believe or which one the actual resource are convinced. If you have the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take One Frog Sang as the daily resource information.

Peggy Young:

Beside this specific One Frog Sang in your phone, it can give you a way to get more close to the new knowledge or facts. The information and the knowledge you might got here is fresh from oven so don't end up being worry if you feel like an old people live in narrow small town. It is good thing to have One Frog Sang because this book offers to you readable information. Do you occasionally have book but you seldom get what it's about. Oh come on, that will not happen if you have this inside your hand. The Enjoyable option here cannot be questionable, including treasuring beautiful island. So do you still want to miss this? Find this book in addition to read it from today!

Christina Webb:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this One Frog Sang can make you feel more interested to read.

Carlton Wood:

Reading a publication make you to get more knowledge from the jawhorse. You can take knowledge and information from your book. Book is published or printed or created from each source which filled update of news. With this modern era like currently, many ways to get information are available for anyone. From media social such as newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just looking for the One Frog Sang when you needed it?
