Queer Futures: Reconsidering Ethics, Activism, and the Political (Queer Interventions)

Queer Futures: Reconsidering Ethics, Activism, and the Political (Queer Interventions)

Following debates surrounding the anti-social turn in queer theory in recent years, there has been a renewed interest in the role of activism, the limits of the political, and the question of normativity and ethics. *Queer Futures* engages with these concerns, exploring issues of complicity and agency with a central focus on the material and economic as well as philosophical dimensions of sexual politics. Presenting some of the latest research in queer theory, this book draws together diverse perspectives to shed light on possible 'queer futures' when different affective, temporal, and local contexts are brought into play. As such, it will appeal to scholars of cultural, political, literary, and social theory, as well as those with interests in gender and sexuality, activism, and queer theory.

Consequently there are a lot of benefits that you will get when one buys this book.

Robert Mayo:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Queer Futures: Reconsidering Ethics, Activism, and the Political (Queer Interventions) can make you sense more interested to read.
