The Mystery of Crystals takes up where The Magic of Crystals leaves off. In this book, we explore the power of crystals based on the new waves of energy that washed over the earth during the 2012 transformation, in addition to the great power crystals from Atlantis and Lemuria. We're introducing many of the Power Crystals – those who hold the highest vibrational patterns known at this time, while learning about their properties and how to work with them effectively. No book on power crystals would be complete without discussing the mysterious crystal skulls. We introduce the legends and lore of the thirteen skulls. In this section, we will not only discuss many of the skulls that are believed to be ancients, but will discuss my own personal experiences with ancient and contemporary skulls that I've had the pleasure We also explain about working with ancient skulls and ceremonial artifacts that were discovered in China in the 1940's, believed to be over 5,000 years old. The Mystery of Crystals is a ground-breaking book introducing you to some of the most powerful crystals on the planet at this time, as well as ways to work with them to help improve your life and reach new heights spiritually.
