You Belong Here M.H. Clark

The stars belong in the deep night sky, and the moon belongs there too, and the winds belong in each place they blow by, and I belong here with you. So begins this classic bedtime book, richly illustrated by award-winning artist Isabelle Arsenault. The pages journey around the world, observing plants and animals, everywhere, and reminding children that they are right where they belong. A beautiful title for new babies, adoptive families, and children of all ages.

You are a dream that the world once dreamt,

And now you are part of its song.

That's why you are here, in the place where you're meant,

For this is right where you belong.
