In Search of the Ivory-Billed Woodpecker

Jackson Ja, Jerome A. Jackson

In Search of the Ivory-Billed Woodpecker Jackson Ja, Jerome A. Jackson

A spellbinding history of the one bird every serious birder hopes to find, even as the world doubts its existence.

In Search of the Ivory-Billed Woodpecker is both a complete natural history of one of the most exciting and rare—perhaps even extinct—birds in the world, and a fascinating personal quest by the world's leading expert on the species. Jerome A. Jackson provides detailed insights into the bird's lifestyle, habitat, and cultural significance, examining its iconic status from the late 1800s to the present in advertising, conservation, and lore. As he relates searches for the bird by John James Audubon, Alexander Wilson, and others, Jackson offers anecdotal tales illuminating the methods of early naturalists, including how Wilson's captive ivory-bill destroys his hotel room in a desperate attempt to escape. Jackson's search for perhaps the last remaining ivory-bill takes him across the United States and into Cuba. He spends hours flying over potential ivory-bill habitat, canoeing through isolated waterways, and trudging through swamps, always playing recorded ivory-bill calls into the wilderness, hoping for a response. 30 halftones.
