## **Index** Peter Sotos

Peter Sotos, the writer who 'rapes a blank page', whose pen is 'the verbal knife of a sadist', is now regarded as perhaps the most important modern writer on pornography.

In this new edition of Index, he casts a savage eye over those enslaved, degraded and ultimately destroyed by sex. Reporting back candidly at human lives entwined with pornography, prostitution, drug abuse, murder, and anonymous, unprotected sexual encounters, Sotos also exposes the media hypocrisy surrounding these issues with ruthless clarity.
