Learn Chess the Right Way!: Book 2: Winning Material Susan Polgar
THE POLGAR WAY TO BETTER CHESS!

Learn Chess the Right Way is a five-volume chess puzzle book series aimed at the novice, beginner and intermediate level player, using the unique methods of the award-winning coach and former world champion Susan Polgar. It introduces the most important checkmate and material-winning tactics, as well as defensive techniques to the new chess player. Each of the five volumes will consist of over 500 puzzles.

Volume 2 is all about “winning material” exercises. In each of the first six chapters a certain piece captures an enemy piece (in chapter 1 – The Queen, in chapter 2 – The Rook, and so on). In chapter 7, you will get no hint about which piece should be moved. In chapters 8-12, the most common and important chess tactics (such as decoy, fork, pin, discovery and skewer) are introduced. Finally, in chapter 13, in addition to the previously mentioned patterns, you will need to figure out which tactical pattern to use to win material, including concepts like “trapping a piece” or “intermediate move.”

With over 40 years of experience as a world-class player and coach, international grandmaster Susan Polgar has developed the most effective way to help young players and beginners – Learn Chess the Right Way. Let her show you the way to understanding the most common and critical patterns and let her show you the way to becoming a better player.

SUSAN POLGAR is a winner of four Women’s World Championships and the top-ranked woman chess player in the United States. She became the #1 woman player in the world at 15 and remained in the top 3 for over 20 years. In 2013, she received the U.S. Coach of the Year Award and the following year, she was named the Chess Trainer of the Year by the International Chess Federation (FIDE). She thus became the first person in history to be accorded both honors. Under her guidance, SPICE chess teams at both Texas Tech University and Webster University have won a combined six consecutive National Division I Collegiate Chess Championships.
