"I know a good sort when I see one. That's why I've taken him on. That's why I took you on."

When a young lad strays into bad behavior and thieving, he soon finds himself in Borstal prison for young men, lonely and without hope. But when Mr. Alfie, who manages the stables, asks him to care for and tame a damaged horse, both are given a second chance. Could this "bad lad's" skill with horses help him follow his dreams?
