[Siren LoveEdge: Erotic Cowboy Romance, sex toys, HEA]

When thirty-three-year-old Carly Wilson returns to Montana to bury her father, she takes over the running of her parents' ranch, little knowing that her father borrowed a significant sum of cash from the rancher next door. She is even more surprised to discover that the man who loaned her father the money is none other than Brett Sinclair, the very guy she had a crush on in high school.

At thirty-five, Brett has changed beyond all recognition, and is no longer the fun-loving individual he used to be. Cold, ruthless, and unemotional, he shows absolutely no sympathy when Carly explains that she can't possibly pay him back. With the loan secured on the farmstead, Brett demands sexual favors as payment in kind, or he will start legal proceedings to take the ranch from her.

Carly soon realizes there must be a reason for Brett's heartless behavior, but before she can help him, will she be forced to accept his indecent proposal?
