#### **Alice Lawson:**

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Town Small (Maritime) can make you really feel more interested to read.

#### **Marco Manuel:**

What is your hobby? Have you heard in which question when you got pupils? We believe that that question was given by teacher on their students. Many kinds of hobby, Everyone has different hobby. And also you know that little person including reading or as reading become their hobby. You need to understand that reading is very important in addition to book as to be the issue. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You find good news or update regarding something by book. Different categories of books that can you decide to try be your object. One of them are these claims Town Small (Maritime).
