This book maintains that a Catholic sacramental understanding of the self and the world is at the center of Percy's imaginative and philosophical vision. In close textual analysis of *The Last Gentleman*, *The Second Coming*, *Love in the Ruins*, and *The Thanatos Syndrome*, the author shows how these works present Percy's sacramental worldview. The imagery and symbolism in these novels point out how the novels' existential wayfarers make their journeys toward a new way of seeing. This reading of the novels reveals precisely how Percy uses his fiction to dramatize the sometimes abstruse philosophical and religious ideas developed in these works.
