Black Dog: The Dreams of Paul Nash Dave McKean

Best known for his collaborations with Neil Gaiman, McKean defied expectations with his stunning debut as writer and artist in *Cages*, winner of multiple awards for Best Graphic Album. Dark Horse proudly presents a new original graphic novel by the legendary artist based on the life of Paul Nash, a surrealist painter during World War 1. *The Dreams of Paul Nash* deals with real soldier's memoirs, and all the stories will add up to be a moving piece about how war and extreme situations change us, how we deal with that pain, and, in Nash's case, by turning his landscapes into powerful and fantastical psycho-scapes.

Praise for one of Dave McKean's previous graphic novels, *Cages*:

"One of the most important works of comic art in the last decade." -*The Comics Journal*

"It is compulsively readable, with a lyrical tone that moves the reader through the rougher, more elusive passages as it strives at the very edge of the form's limitation." -*Comic Foundry Magazine*

"The finest comic being created today. Get it and see what heights narrative graphic art can achieve." -*The Fine Print*
