The Awesome Story as Seen Through the Novelist's Eye-

It is a dramatic true tale of a young man and his love; the pain of perceived infidelity; a long, difficult journey; a young girl's painful delivery in a distant town, alone without her mother by her side to comfort and guide her; and a couple's eventual settling in a village named Nazareth. All during a time of political and moral upheaval in a tiny country whose importance on the world scene continues to this day.

Bringing to life this human drama, Janette Oke shows how every twist and turn was guided by the hand of the Divine. The result: the powerful proof of God's overwhelming love, and the most catachysmic event in history!
