## **The Adventures of Hiram Holliday** Paul Gallico

This is Gallico's first published book. It was published by Grosset and Dunlap on the cusp of World War II in 1939. In form, the novel is a connected series of adventures, rather akin to short stories which flow into one another. In the book, Holliday was rewarded with time off and a cash reward which he used to go to Europe. In Europe he fights spies and Nazis, finds his true love, achieves some fame as a foreign correspondent with his newspaper back in New York, and becomes the man of action he aspired to be. The book has the major themes of the protagonist coming to grips with his own character and destiny, how individuals act when confronted by great evil, and the overarching question of would war come to Europe. The book encapsulates Gallico's views and insights at the time of writing, without the hindsight of later events - some of which turned out to be wrong and others were quite accurate.

The The Adventures of Hiram Holliday will give you a new experience in examining a book.

#### **Margie Rodriguez:**

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Adventures of Hiram Holliday can make you experience more interested to read.
